2	Protective laptop bags	300	$7	$2,100
3	USB mice	300	$4	$1,200
4	USB flash drives for learning materials	300	$5	$1,500
5	Laptop preparation and configuration	300	$4	$1,200
	TOTAL PROJECT BUDGET	300 students	$150	$45,000

2. Budget Summary

Description	Amount
Total number of beneficiaries	300 students
Total cost per student	$150
Total funding required	$45,000 USD

3. Expected Results

The $45,000 fundraising goal will provide 300 secondary school students in eastern DRC with a laptop and basic accessories to support their education and digital skills development.

Budget note: These figures are estimates for planning purposes. Confirm supplier quotations and actual costs before publishing the budget on GlobalGiving. The laptop allocation is $130 per student, with the remaining $20 covering accessories and preparation.
