

EVEN GROUND

CREATING OPPORTUNITIES THROUGH EDUCATION

Even Ground, formerly Orphans Against AIDS, supports over 700 children and youth in Africa with essential education, health, and food security.

14 million children have been orphaned by AIDS in Sub-Saharan Africa

Two thirds of South African children live in extreme poverty

Even Ground's partner projects currently work in South Africa and Uganda to inspire sustainable change through education

Uganda Education Project funds schooling for 11 orphans and vulnerable children who cannot afford to attend

Dikatole Scholarship fund brings change through education for 93 children in an informal settlement in South Africa

Thanda is developing a model of after-school education for 400 children in rural South Africa

Thembanathi promotes early childhood education by supporting 258 children in preschools in rural South Africa

Together, we are transforming lives that will one day transform the world
