

EDUCATE ONE, EMPOWER THOUSANDS

**JOIN
THE CAMPAIGN!**

The We women foundation helps women from marginalized ethnic areas in Burma access higher education and pursue their dreams of becoming leaders in their communities. All of our students are strong, resilient and passionate women despite the many hardships they have faced.

Join us in our mission. Together we can make a difference in the lives of these women who can help to empower thousands more.

We women Graduate Thida empowers thousands already! As a policy adviser on health and economic issues and a mentor of Mon youth she has touched many lives of the people in Burma and more will follow as her ambitions reach high! Get to know inspiring Thida at www.wewomenfoundation.org/campaign
