# WHO WE ARE

**Charitable Foundation Zaporuka, Ukraine,** was founded in 2008 by Nataliia Onipko with a team of like-minded people, after active volunteering to support children with cancer in the hospital.

## Why We Are Unique:

- ★ **Proven Experience:** Over 16 years dedicated to enhancing children's healthcare in Ukraine
- ★ **Family House Dacha:** The only facility in Ukraine offering a home away from home for children on treatment in Kyiv and in Lviv
- ★ **Holistic Support:** Psychosocial support integrated across all projects to ensure the holistic well-being of children and their families

**Mission:** to improve the well-being of children and their families by offering humane and holistic support throughout treatment, rehabilitation, and in times of crisis.

**Values:** humanity, honesty, and efficiency

**Vision:** Zaporuka is a modern, efficient, and accountable organization dedicated to meeting the needs of children and their families. As we grow, we remain committed to maintaining a personal and humane approach to each of our beneficiaries.

# DACHA:

## Ukraine's Only Home Away from Home

- ★ Rented Family House Dacha  
**SINCE 2009**
- ★ hosted over  
**1400 CHILDREN**  
and their families

However, due to **limited capacity** and an **unstable rental situation**, we realized the need for a house of our own.

# SCALING UP: DACHA IN LVIV

Inaugurated in 2024 in a rented building, Dacha in Lviv—the city which has become an important medical hub of wartime Ukraine—demonstrates the potential to replicate the full Dacha model, as established in Kyiv, to provide comprehensive support to even more families in need.

# PSYCHOLOGICAL SUPPORT

Our team of psychologists leads the **Pediatric Psycho-Oncology Division within the National Psychological Association of Ukraine**, working to establish standards of care and foster the exchange of practical insights and experiences.

**Our psychologists provide children and their families with psychological support:**

- at the National Cancer Institute in Kyiv
- at the Center of Children's Healthcare and the First Medical Union in Lviv
- at the Family House Dacha in Kyiv and in Lviv
