

Rajasthan Samgrah Kalyan Sansthan (RSKS India)

Stop Violence Against women's in India

Project Summary !

27,933 cases Approx of violence against women are registered in police station yearly in Rajasthan, The main objective of this project is to bring gender equality within the male dominated society, respect for women, end social malpractices, decrease in dowry system, END child Marriage and women should also have equal rights in society.

Challenge !!

More than 40 complaints a day of violence against women are registered in police stations 10 rape cases in every 24 hours and 3 women are assassinated for dowry in every 48 hours. This is not any story. These are fearful facts of which is being happened against women in Rajasthan. According to NCRB, 27933 cases of violence against women, 3285 rape cases and 15094 cases of domestic violence were registered in different police stations of Rajasthan in 2013. 453 women were assassinated for dowry.

Solution !!

Assistance will be provided to the women & girl through this project so that the moral of the her will soar and they will get courage to fight against violence. Awareness programs such as Road shows, posters, street play, wall painting etc. will bring awareness in the society, so that the cases of gender inequality may reduce in number. Women will be cautious towards their legal rights through legal awareness camp, and violence against women will be eliminated.

Long-Term Impact !!

The attitude of men towards women will be changed from which this male dominated society will respect women. Child marriage, dowry, gender discrimination will be reduced. Women & girl will live respectfully. The society will openly support the her in the fight against violence, the resulting, fear will be pervaded in culprits and the violence against women will be decreased.
