About us

Le Tonlé Tourism Training Center is a not-for-profit organisation providing vocational training to disadvantaged young people from Cambodia's north-eastern provinces.

Le Tonlé was founded by Tourism for Help in 2007 in Stung Treng. In 2012 CRDT took over the project, funded by the Fédération Gènevoise de Coopération. Le Tonlé also built a stable partnership with the Ministry of Tourism.

Since its inception, **121 students (63 girls)** have graduated from Le Tonlé training program.

Our Program

Our training model is **Learning by Doing**, and our 3 month training course covers a range of industry-specific subjects.

THEORETICAL CLASSES

General English, English for Tourism, Administration & Invoicing, Computer Literacy, Service Excellence, and Ecology

PRACTICAL CLASSES

Hygiene, First Aid, House-keeping, Cooking and Food Preparation, Food & Beverage service, Front Office & Reception, and Job Application & CV Development

Student selection

How do we advertise to the young Cambodians about Le Tonlé training center?

Through social media, Radio, CRDT's community group members and partnerships with other NGO's, and the Provincial Department of Tourism.

How do we select our students?

- English test
- General knowledge test
- Interview
- Home visit

95% of our students found a job

MISSION

Training Cambodia's rural disadvantaged youth in tourism and hospitality offers worthwhile careers while contributing to poverty reduction, ecological conservation and sustainable tourism.

VALUES

To provide quality training in response to the needs of tourism professionals in Cambodia & to integrate the values of responsible tourism in the training
