BACKGROUND

Lango Advocacy Forum is a non-governmental organization based in Lango sub region since October 2012 and registered on 24 October 2014 with the National Ngo Board with the registration number S.5914/10945 and implementing its activities in Lango Sub Region as a whole.

Laf Uganda focuses on empowering the citizens to demand for accountability and better service delivery from their leaders, engage in promoting civic and democratic rights activities to promote democracy and good governance. Mentor the youth who are in our communities to engage in activities that will make them be self-reliant, promote solidarity among the youth and economic empowerment, critical thinkers and in the end employ a better problem-solving approach to any given situation and condition. Laf Uganda provide psycho social support to OVC's and supports school children in tree planting, believes in advocating for the reduction of illiteracy rate through promotion of informal and formal education and also encouraging the philosophy of food security and proper financial management in our households.
