

CANCHA GUAYABALES, SILOE  
A SAFE PLACE TO PLAY FOR KIDS, YOUNG AND FAMILIES

# SILOE CONTEXT

- Siloe is located south west of the city of Cali.
- 95% of the people belong to strata 1 (poor, poor) and 2 (poor).
- It is the second neighborhood with the most violent deaths in the city.
- It is the neighborhood with the highest rate of domestic violence.
- It has 11 cm of public space per person.
- A neighborhood where there is no respect for life

# PROBLEMS

- Violence between neighbors
- Drugs
- Gangs
- Perception of Insecurity
- Low levels of coexistence
- Limited offer for the use of free time for promotion of coexistence.
- There is no equipment for carrying out sports and recreational activities.
- Boys and girls don't have a safe and decent place to play.

# OBJECTIVE

- Build a safe place to play and learn, promote social development and the good use of free time in children and young from Siloe, Cali.

**WHAT THEY HAVE**

# GUAYABALES 2016

In 2016, a group of neighbors joined together to rescue a space that was invaded by a gang and where it was very dangerous to be.

They were organized and with the support of the private company they managed to recover the space and turn it into a cement court and build a booth for community activities
