Montessori For Puerto Rico

Public Montessori Schools

- Follow the Montessori philosophy and methodology based on the science of human development.
- Establish a peace culture of healthy coexistence in the schools.
- Promote collective work and broad participation in school governance.
- Construct optimal environments for the development of children and youth.
- Provide for the development of vocation, order and independence in the students.

What do we do?

- School transformation that pursues the establishment of a peace culture through collective work, shared governance, and healthy coexistence.
- Montessori academic preparation for the personnel that serves the kids from Infants and Toddlers to high school.
- Casa Familiar serves as a support for the families while transforming their "pain" in a plan to achieve happiness and progress.
- Extended hours that provide safe places in the communities to do arts, sports, supervised studies, planting and excursions.
- Science and environment projects through which the students can participate in the reforestation of the island, and the development of astronomy clubs.
