

MFDF VISION & MISSION STATEMENT

Mission Statement

To improve socio-economic inclusion of Lesotho Youth in communities through intensive skills development and training through skills transfer programs, outdoor and adventurous therapeutic youth challenges. MFDF provides youth with technical support and monitoring the implementation of the training skills as a proven strategy to reduce youth unemployment by creating sustainable youth development.

To distinguish MFDF as a leading national youth empowerment organization in a league of its own in a plethora of mushrooming organizations purporting to serve the interest of the youth.

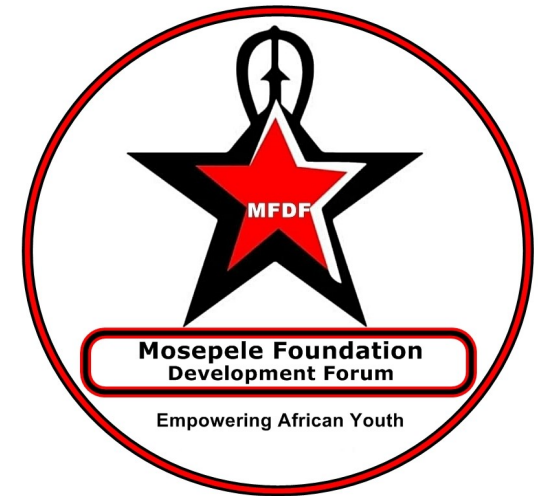

Vision

To be part of the world where all Lesotho youth have the opportunity and capacity to participate fully in social, economic, health and environmental factors for the benefit of all humanity.

To beckon the youth of Lesotho into the center stage of the economic revolution waged with the aim of salvaging, attracting and retaining the little that is left of the pillaged human capital of Lesotho.
