

Background

Indigent Development Organization (IDO) is a non-profit making and non-governmental organization established in 2014 and registered under the laws of the Republic of South Sudan with registration number 2047. In implementing our programs, we use innovative and creative approaches such as community dialogue forums, films, drama/music, school debates, sports events and talk shows among others. We also support farming activities in the Communities we work in. To ensure that our projects are owned by the beneficiaries, we work with the communities through participatory approaches throughout our project cycles.

Vision:

We envision a resilient society.

Mission:

Achieve resilience by enhancing active participation of community members in developmental and community service programs.
