18 February 2019

I am writing to thank you for your generous donation of vouchers for charity clothing shop. We are extremely grateful. The donation will be used to help the guests of St Johns Fulham.

In-kind donations are so important to the guests of Glass Door. Contributions such as the one made by Clothe Me - Thank You save us thousands of pounds every year. We can then redirect our limited funds towards our front-line shelter or casework services.

Already this winter, we've helped a pregnant young woman move into stable accommodation. She continues to turn to our services for meals, community and support, but now she sleeps safely in her own flat. We've also rehoused an elderly wheelchair-bound gentleman. We provided them both with spaces in our emergency shelters when they were in desperate circumstances, and our caseworkers then took over to find a more suitable solution.

You are helping work towards our vision of a future where nobody has to sleep on the street. Together, we are making a life saving and life changing difference to those in our community who need it most.

Yours sincerely,

**Lucy Abraham**

Chief Operating Officer  
Glass Door
