## ***OUR VISION***

---

*Viyan Organization is seeking for a future which people live in dignity and humanity, no matter where they are, delivering healthcare services to those affected by conflict, natural disaster and disease following by building their capacity and promotes the skills they need to recover.*

## ***OUR MISSION***

---

*“Assist the displaced and support them for better future”*

*We are an independent, neutral, nonprofit and humanitarian organization dedicated to saving lives and relief suffering by providing healthcare services, medical trainings and development programs, to those in great need. Established in 2019 in Erbil / Iraq by volunteer doctors, pharmacists and nurses.*

*Our mission is to improve the health status of the communities we serve through delivering quality healthcare services, educating and training activities that strengthen local healthcare systems in the developing countries worldwide.*

## ***Our Values***

---

- ❖ *Transparency*
- ❖ *Accountability*
- ❖ *Improving awareness*
- ❖ *Access to information*
- ❖ *Humanitarian approach*
- ❖ *Respect*

## ***Our Principles***

---

- ❖ *Humanity: we address human suffering wherever it is found.*
- ❖ *Neutrality: we do not take any side in an armed conflict or other dispute.*
- ❖ *Impartiality: our Humanitarian actions are based on the need, without discrimination of nationality, race, gender, religious belief, class or political viewpoint.*
- ❖ *Independence: our Humanitarian actions are entirely autonomous means the autonomy of political, economic, military or other objectives.*
