

WHO WE ARE

ARTS FOR ALL, INC. is a non-profit arts outreach organization serving in-need children ages 4-19. Our mission is to provide artistic opportunities to in-need youth communities in the greater New York City area. The majority of our programs are free of charge.

Through ARTS FOR ALL, professional artists work with children who have little means or opportunity to explore the arts due to economic disadvantages, physical and mental disabilities, hospitalization, socialization issues, emotional trauma, or any other life challenge.

"ARTS FOR ALL helps children to visit the world of imagination through art. I am so grateful for its presence in the classroom...Thank you!"

- Kindergarten Teacher,

HISTORY

ARTS FOR ALL, INC. started as a New York University Club called Community Connections and received the NYU President's Service Award for Volunteerism and Community Service. In 2003, as a developing arts service organization, ARTS FOR ALL successfully operated under the auspices of Children With Challenges. As ARTS FOR ALL grew, so did its need for better facilities and a larger parent organization. From the summer of 2005 through 2007, ARTS FOR ALL operated under the fiscal agent World Cares Center and continued its services with even greater impact on the community. As of December 2007, ARTS FOR ALL, INC. became its own incorporated organization, looking forward to continuing to serve in-need communities through the arts.
