Utho Ngathi is a registered Section 21 and 18A NGO/ NPO in South Africa, as well as being fully registered in Zambia and Germany, operating in historically disadvantaged communities in Southern Africa. The organisation and its programs work with and for persons with disabilities to make inclusion a reality for their lives.

**Vision:** To unleash the potential of a million people with disabilities in Southern Africa.

### Key objectives

- Comprehensive Research to develop optimum programmes;
- Increased community awareness of the needs, challenges and opportunities of persons with disabilities and the importance of their inclusion;
- Facilitation of the involvement of family and community members to improve the livelihoods of persons with disabilities;
- Establish partnerships to develop community based rehabilitation programmes;
- Creating a support base for persons with disabilities and their families with sponsorships from individual and corporate supporters and donors;
- Establish professional partnerships, both country specific and throughout the Southern African region, to optimise and enhance all efforts
- Innovative sustainable developments to ensure economic livelihoods for persons with disabilities and their families.

To carry out these objectives Utho Ngathi Disability Projects has started with the implementation of six interrelated projects.

- Comprehensive Research
- Awareness Campaigns
- Home Based Care and Training
- Community Based Rehabilitation
- Sponsorship and Inclusion
- Sustainable Economic Development
