

COCOPOPP

Cocoa360's COVID Preparedness & Outbreak Prevention Plan

STEP 1: Establish Community Buy-In

Present CoCoPOPP to the Chief and elders for feedback and implementation support.

April 14-15

STEP 2: Research & Procurement

Secure necessary logistics such as posters, loud phones & PPEs. Establish baseline research of community's perspectives around COVID-19

April 15 - 19

STEP 3: Engage Rapid Response Team

Recruit CoCoPOPP front liners, with the support of our Village Committee to distribute information as well as establish contact tracing protocols.

Ongoing

STEP 4: Execute Control Measures

Educate community about COVID-19, its risk factors, preventive and control measures.
Distribute PPEs to the community.

Ongoing
