

“To any teen coming to Alive, I would like you to know that this is the best place you could ever be. To any parent thinking about sending their kid to Alive, I would like to tell you that your kids are in great hands - everyone that works at Alive truly cares about your kid and wants the best for them. To anyone that supports Alive, thank you and God bless you for supporting Alive and their mission.”

- **CALEB LEWS**, Grade 7, WJHS

## OUR MISSION

Our mission is to create Teen-Led, Teen-Driven™ (TLTD) centers focused on empowering the youth of today to become the impassioned, resilient leaders of tomorrow.

### How do I get in on the Action at Alive?

As Elvis said, “A little less conversation and a lot more action” – Make a BIG difference by donating to Alive!

Teens need a place where pressures are set aside for them to discover who they are. We believe that the key to addressing the rising rates of teen suicide, anxiety depression and drug addiction is connection and thus, all teens are welcome at Alive! Become an Alive donor and help build confidence, resiliency and purpose in the next generation!
