

Team Up For 1 (TU41) enhances the quality of life for children with physical and/or developmental disabilities and chronic or life-threatening illnesses. TU41 engages the sports world by matching children living with challenges to teams from every competitive level - college, high school and professional. We also provide a variety of programs that promote the values of inclusion, teamwork, education, and fun.

WHO MAKES A TEAM?

MVPs

Any child with a disability or illness can be an MVP! As part of a team they will attend team practices, sit with the team during games, enjoy team dinners and more!

COACHES / PLAYERS

Teams can adopt a child (MVP) for one or more seasons to be a part of their team. There is no physical mobility requirement!

FAMILIES

A child's involvement as a member of a sports team creates a rewarding team experience for the entire family!

★ YOU + **TeamUpFor1** FOUNDATION = A LIFE-CHANGING EXPERIENCE FOR A CHILD ★

VOLUNTEERS

Hold a fundraiser, start a campus club to get your friends involved or help organize our annual gala. Our volunteers help create memorable experiences for all of our MVPs!

DONORS

It costs \$0 for a family to have their child participate on a team. The program is 100% funded so money is not a barrier for any family. This is why our donors are the backbone of our mission.

TEAM UP FOR 1

We bring the members of the team together. Whether it is through an easy team adoption process, special family-fun events, or team meet 'n' greets, our goal is to give all kids the chance to be a part of a team!
