

**Ministry of Finance, The National Treasury,** Government of Kenya, to support the foundation in ensuring that any monies allocated to the foundation for any part of its development and continued service to the aged, is disbursed as is and without delays.

**Other Ministries include but not limited to:**

**Ministry of Water and Irrigation and Ministry of Environment and Natural Resources** for the drilling of bore holes and supply of water to the hospital complex.

**Ministry of Transportation, Infrastructure, Housing and Urban Development,** for the up-grading of the access roads to the plot from dirt to tarmac.

**Safaricom Kenya Ltd.**

**NSSF**

**NHIF**

**German Medical Aid Organization**

We do hope to **launch/fundraising** the project at the project's grounds at the Alms House Land, Nakuru on the **30<sup>h</sup> November 2019** and hopefully begin the construction of the complex by **January 2020**.

We as a foundation humbly invite and make call to you to support this endeavor by donating, in kind or in cash towards the construction of this Geriatric Hospital through the following avenues:

## GILLIAN SABATIA FOUNDATION OLD AGED HOSPITAL, HOMES & CARE CENTERS

Gillian Sabatia Foundation is a nonprofit organization, duly registered in Kenya, Registration Certificate No. **OP. 218/051/17-165/10780**. We are in the advanced process of establishing a **Geriatric-Oriented Hospital** with all the necessary departments and home care units. Our main key allies are the Government of the Republic of Kenya, Ministry of Health, Nakuru County Government, and several organizations from within and outside the country.

Our project will be one of the first in Africa to be established as a fully Geriatric Oriented Hospital. We shall set an example to be replicated elsewhere, as the sociological structure of society will in the future develop in a similar direction as is already clearly visible in other continents.

Gillian Sabatia Foundation is in the forefront in supporting the implementation of the Kenyan Government's Big 4 Agenda under the auspices of the Office of the President of Kenya His Excellency Hon. Uhuru Muigai Kenyatta.

We welcome every citizen and well-wisher alike to support us in this endeavor as one time in our own lives we shall need these services.

**Edward E. Sabatia**  
**Chief Executive Officer**  
**Co-Founder**  
**(Gillian Sabatia Foundation)**

The GSF Old Aged Hospital shall be an integrated, multi-disciplinary institution providing care to older people. It shall provide comprehensive assessment in partnership with patients, families, carers, general practitioners (GPs), psychogeriatric services, residential aged care facilities, and other government, non-government and international states and organizations. The multidisciplinary team shall comprise of medical, nursing, allied health, administrative staff and volunteers. The Hospital shall provide a multi-disciplinary approach to all aspects of patient care including acute in-patient care, outpatient services and inpatient rehabilitation across multiple environs.
