Administrative cost	1	500	1	500	88
Total				8,750	1,535

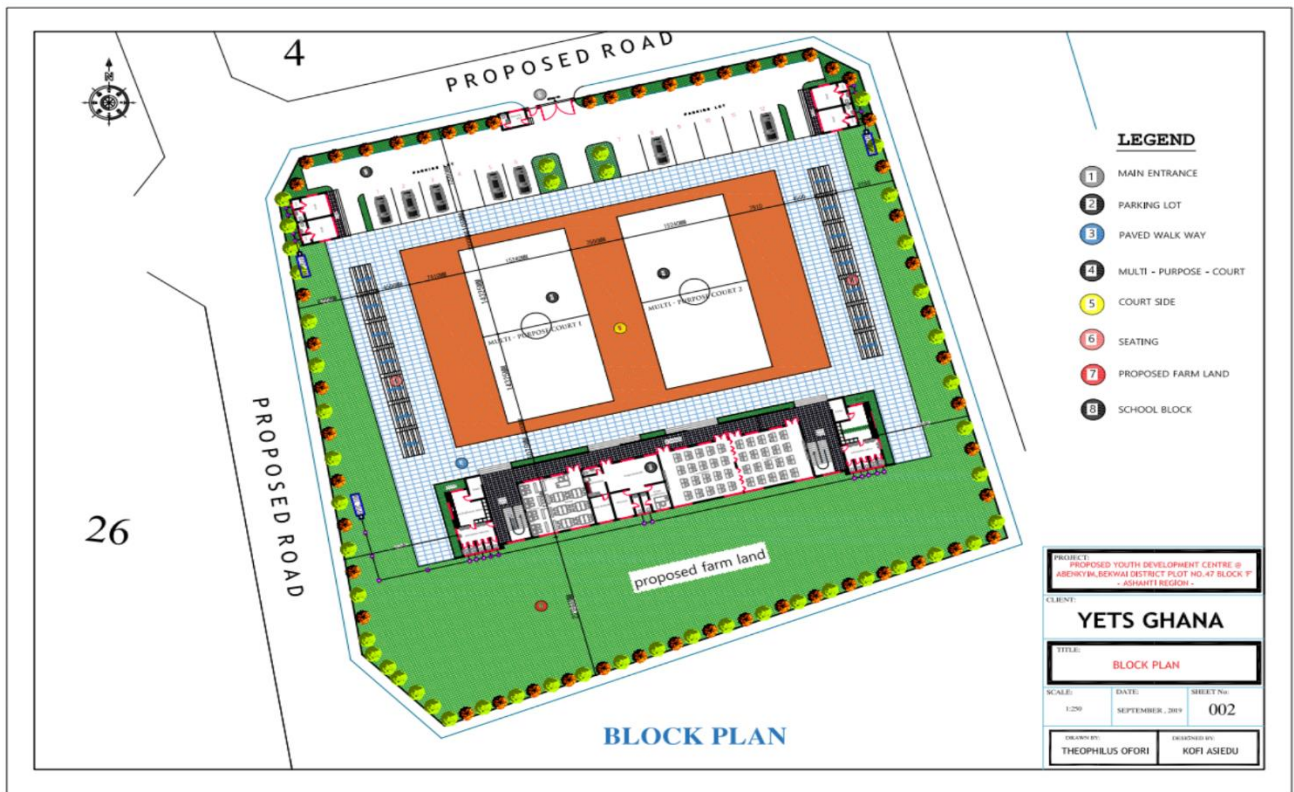

Note:

1. USD Rate @ 5.7
2. The opportunity to have an own facility has already presented to YETS Ghana as a result of positive impact in the community. The chiefs of Anwiankwanta donated 3 acres of site to YETS for the construction of the Youth Development Centre.

Cost for construction of the youth centre has already been approved to be funded by 3 top Dutch organizations once the site documentation has been acquired.

3. Find attached photos of the 3 acres of site donated to YETS Ghana, building plan/architecture drawings of the Youth Development Centre and our current location at Save Our Lives Ghana.

YETS Ghana current Location at Save Our Lives Ghana. A basketball court constructed by the YETS Foundation, Holland in 2013.
