

CHARITY
ORGANISATION

SADA

Synergie d'Actions pour un Développement Approprié

OUR VISION : SADA works for true self-promotion of grassroots communities where children youth and women are fully realized.

- to make primary health care accessible to grassroots communities

OUR MISSION :

Contribute to the socio-economic and moral development of children, youth and women through a process of support-council - accompaniment to ensure their self-promotion.

OUR OBJECTIVES :

SADA works:

- to promote children education in general and of young girls in particular
- to fight illiteracy in all its forms, especially by the women
- to fight all forms of violence against children and women
- to promote the self-promotion of grassroots communities
- to encourage the empowerment of the youth and women through vocational training and Income Generating Activities
