17	Wall mounted activity mirror	1
18	Weight bench and Long bar for the weights	1
19	Whistles	2
20	Wrestling boots	4
21	Wrestling Singlets	4

Justification: These disadvantaged children come from families with incomes that are well below the poverty line. Their parents' inability to meet basic needs prevents them from spending money on sports supplies. This project would provide students with necessary sports supplies, relieving parents of the financial burden.

I hereby approve the above supplies list for the Landegama School Development Project.

Landegama School Projects - #2 Infrastructure

#	ITEM	Quantity
1	Build a dedicated sports room (storage, change room etc.)	1
2	Build a wired mesh fence (w/gate) around the school ground (approximately 400 meters)	1
3	Build steps in the school compound	3
4	Large steel cupboard to store sports equipmet (2M hight x 1M length x 1/2M Depth)	1
5	Pave school entrance/road which is eroding	1
6	School Nameboard mounted by the gate	1
Children's Mini-Park		
7	Build fence around the mini park parameter)	1
8	Monkey bar set for the kids (wood or galvanized steel)	1
9	Seasaw	1
10	Slide	1
11	Swings	2
Repair School Restroom Facilities		
12	Build a separate toilet for the female staff	1
13	Repair boys toilets	1
14	Repair disfunctional toilets	2
15	Repair girl's toilets	1
16	Repair/Rebuild the current school water system	1
General Infrastructure Items

19	Electrical Wiring & outlets (Repair)	15
	Fencing around the school boo tree	1
20	Install Gutters and downspouts	12
21	Regular Light Bulbs	25
22	Roofs	2
23	Sidewalks	4
24	Tube Lights for the library	5

Justification: As previously stated, Landegama School has many urgently needed infrastructure projects. Many are motivated by security and safety concerns. To keep predators at bay, the playground must be surrounded by fencing. Our leaking roof, combined with the lack of sidewalks, pose serious safety concerns. Repairing toilet facilities is critical to addressing basic hygiene issues. Lighting, electrical outlets, and school/structure repairs are critical for our day-to-day operations. We have not been able to begin any of these projects due to a lack of funding. Some are fundamental human rights.

I hereby approve the above supplies list for the Landegama School Development Project.

Landegama School Projects - #4 computers and Science

#	ITEM	Quantity
1	New Desktop computers	10
	Computer Essentials	
2	Install latest version of MS suite (Licensing) Excel, PP, Word, Access)	10
3		
4	Keyboards	10
	Mouse Pads	10
	Computer text books or Learning Software	
6	Introduction to Excel	10

14	Overhead Projector	1
15	Overhead Screen	1
16	Human Skeleton dummy for the school lab	1
17	Mini Gas Cylinder for the school lab	2

Justification: There is a strong desire to introduce computer science to students who have never had the opportunity to use computers. They were simply left behind during the pandemic, while urban students were able to expand on their machine learning. Including computers in the curriculum would increase their chances of success in the fast-paced tech-savvy employment sector while also giving back to the tech-lagging community.

I hereby approve the above supplies list for the Landegama School Development Project.
