"Empowering Communities Through Integral Mission"

MERRY
CHRISTMAS

&

HAPPY NEW YEAR 2023

It was a long year of hardship and suffering for many vulnerable communities across Southern Africa. At HOPE Africa, with your help, we were able to turn that hardship into hope.

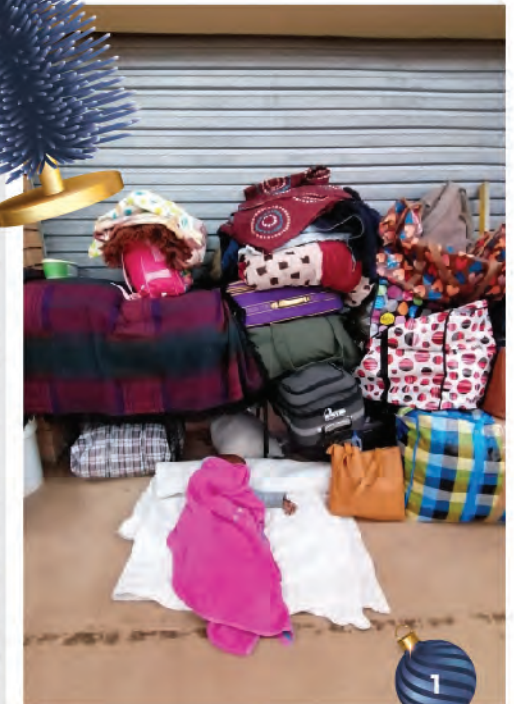

The children of Diocese of Lesotho started the new school year with brand new stationery handed out by Bishop Vicentia Kgabe.

Also at the start of the year – we were there when an entire community of foreign nationals were evicted from their community in Diocese of False Bay.

In Dioceses of Eastern Cape and Natal – many communities suffered hardship because of inclement weather. In Natal, most of the victims are still housed in community halls and unable to return to their homes.

Fires continue to wreak havoc for people living in informal settlements – in Diocese of Cape Town we were there when an entire community lost their homes and livelihoods in a devastating fire.

GBVF is the second pandemic after Covid-19, according to the President of SA. HOPE Africa continues to engage with all Dioceses, partners, and partner churches to raise awareness with the aim of eradicating the scourge of GBVF.

We work with many ECD's across Southern Africa to ensure children receive wholesome nutrition, educational equipment, love and support. Many food kitchens rely on our support, children were able to receive new school shoes.

Wishing you and your loved ones a Christmas filled with love, joy, peace and hope.
