Respected Supporters,

Assalam-o-Alaikum,

Subject: Provision of Winter Packages among deserving Community of Pakistan

A project completion report titled “**Provision of Winter Packages among deserving Community of Pakistan**” is being submitted for your kind consideration. The report is intended to inform that 441 winter packages have been provided to the deserving and needy people of Pakistan. The majority of families are living in selected areas have very few sources of livelihood and are constrained to live in miserable conditions. They don't have enough resources to have basic necessities of their daily life in winters such as food, warm clothes, or bed.

Beneficiaries were very happy on receiving these winter packages because these were the source of winter enjoyment, not toleration.

The cost of one winter package was **PKR 4,000** and the total cost of the project was **PKR 1,764,000/-**

I hope you will extend your generous support for this project.

With kind regards,

Abdus Shakoor
President
Alkhidmat Foundation Pakistan

Introduction and Rationale of the Project:

Hazrat Abdullah Ibn Abbas described that the Prophet Muhammad (S.A.W) was the most generous of people. According to Holy Quraan "Those who spend their wealth by night and day, in secret and in public, shall have their reward with their Lord. On them shall be no fear, nor shall they grieve" (Quraan 2:274). "By no means shall you attain righteousness unless you give freely from that which you love. And whatever you give, Allah knows it well" (Quran 3:92).

Implementation Strategy:

Following methodology was opted for implementation of the project:

- Planning, Procurement, Transportation and Distribution of winter packages was conducted by Alkhidmat Foundation Pakistan through its local teams.
- The whole process was documented, supervised and executed by Program Head (Community Services).
- Each activity of the project was monitored closely to ensure efficiency and effectiveness
- A survey was also conducted by Alkhidmat teams for identifying most underprivileged and destitute people.
- AKF units implemented and supervised this project.
- Winter packages were purchased as per specifications following procurement policy of Alkhidmat Foundation Pakistan.
- Banners and other publicity material were also used during distribution process.

Impacts of the Project:

The beneficiaries were assisted in terms of winter packages. The people of the target area belong to low socio-economic strata of the society. Under these circumstances, execution of the said project was highly appreciated and valued by the beneficiaries.
