# U-Fund

## For Women

## Introduction

The Ugwumba Fund for Women (aka **U-Fund for Women**) is a micro-grants program designed to support women petty traders, especially those who are struggling to survive and to provide for their families.

**The U-Fund for Women is not a LOAN program.**

## The Mission

This Fund shall provide strategic support to rural women who are trading in small businesses across the country.

## Strategic Objectives

The fund is designed to achieve the following:

- a** To catalyze economic development in the rural areas.
- b** To equip rural women with basic business development skills.
- c** To support women petty traders with micro-grants
- d** To connect rural women to more access to finance opportunities.
