

SPECIAL NEED FOR OUR DISABILITY CHILDREN'S PLEASE HELP US .

Hello friends of Green Land Group in whole around the world this is special need and writing from mkuzi school which is concerning the seeking for help to our 200 disabilities children's who are really in need different materials of learning and walking. Our children's are facing lack of enough audio resources which they are more required in hearing since we have children's with different disability including those with hearing problem. Also we re facing lack of enough worksheet modified and work textbooks modified which is making us to take hard moment in transform education to them.

Dear friends the huge problems is walking materials which are wheel chairs this is very important since some of childrens are having trouble during passing the road which results to accident from motorcycle and by cycles currently we have 10 injured children's from motorcycle accident due to the absence of proper walking materials as wheel chairs.

please help us , please help us to serve this hunger we are collaborate with Green Land Group who are really giving us a hand.

we hope this request will be successful

thank you
