السلام عليكم ورحمة الله وبركاته

Subject: Establishment of Science Laboratory in AKF-School Qutaiba Campus Chitral.

Hope you are in the best state of faith and health.

AKFP run the 60+ Schools 61 CPCs in Education sector for poor and needy children of Pakistan and serve the time, money & fully dedication with the collaboration of Respected Donors.

A proposal pertaining to establishment of a quality science Lab is being submitted in your esteemed honor for your profound consideration.

Alkhidmat Foundation School Qutaiba Campus was established by AKF Education Department, which is quenching the thirst of the students of quality Islamic and progressive education. As the promising students of the said campus have been second to none in academics having distinctions in district level, in general, and have won 2nd position in Regional Science Olympiad/Fair held under the supervision of Directorate of Science and Technology Government of Khyber Pakhtunkhwa, in particular, in recent past.

To fulfill the aim of providing quality education and polish the practical qualities of the students it is necessary to relate the theory to scientific methods through conducting experiments by students which require a well-equipped science lab.

That is why your honor is hereby requested to donate for the provision of the requirements of Science Lab to Alkhidmat Foundation School Qutaiba Campus Chitral.

The project total cost is **PKR 2,403,500/-**

Thanking in anticipation.

Kind Regards

Khubaib Bilal

INTRODUCTION – ALKHIDMAT FOUNDATION KP REGION

Alkhidmat Foundation KP is a non-governmental, charitable and development-oriented humanitarian organization working for providing relief in disasters, aid to displaced people, shelter to homeless, food to hungry and education to deprived students. Alkhidmat Foundation strives for uplift and sustainable socioeconomic development of the underprivileged communities and supports them reach their full potential by tackling the root cause of poverty. The thematic working areas of the organization cover a wide spectrum including special expertise in emergency relief services, rehabilitation and reconstruction, infrastructural development, health, education and community services. Alkhidmat Foundation extends non-denominational physical, technical and financial assistance to the victims of disasters, war, diseases and poverty regardless of caste, color and creed. The organization has its sub-offices in almost every district of KP. Founded in 2001, the Alkhidmat Foundation is working with motto of 'services to humanity with integrity'.

Other than that, Alkhidmat Foundation is working in its full fledge capacity in the following grounds.

- 1. Health**
- 2. Education**
- 3. Orphan Care Program**
- 4. Clean Water Services**
- 5. Community Services**
- 6. Disaster Management**
- 7. Mawakhat Program (Islamic Micro Finance)**

EDUCATIONAL SERVICES

In accordance to the importance of education, Alkhidmat Foundation KP Region has established an educational program “**Education Department**” to provide and spread quality education in every nock and corner of Khyber Pakhtunkhwa – Pakistan, especially in far-flung rural, flood affected & earthquake hit areas of the province. Currently Education Department operates **22** Alkhidmat Foundation Schools are providing education to **7,743** students with the help of **407** trained teachers. Furthermore, these educational institutions are providing free education to **589** orphans and **835** poor & needy students to the rest with nominal charges.

ALKHIDMAT FOUNDATION SCHOOL QUTAIBA CAMPUS AT A GLANCE

Realizing the ground facts, Alkhidmat Foundation KPK felt a dire need to establish a bonafide and sophisticated institution in Chitral, so establishment of Qutaiba Campus is a practical step towards the accomplishment of the goal of quenching the educational thirst of the promising young generation of Chitral in general and talented orphan and needy students in particular.

Alkhidmat Foundation School (Qutaiba Campus) was established in 1989 with the set objective to provide an opportunity of acquiring quality Islamic and progressive education. Since its establishment Qutaiba Campus has been rendering its services to adorn the youth with the precious ornament of quality education.

Alkhidmat Foundation School Qutaiba Campus has been rendering its services to quench the educational thrust of the promising students of Chitral, in general, and Chitral town, in particular. At current, 92 orphans, needy and poor students are having full-fledged amenities of education under the umbrella of Alkhidmat Foundation School Qutaiba Campus Denin Chitral.

The campus is located in town area of Chitral city, and is providing education to **450 students out of which 216 are girls**, and there are a number of girls' students who want quality education on normal charges. Since the establishment the school are producing excellent positions in the district and having places in the top three positions in SSC examinations, along with that more than 92 orphans and needy students are acquiring free education which is a real blessing for the talented, poor and needy students of the area.

Qutaiba campus has been ranked among the best top three institutions of the district in SSC examinations in session 2018-19, 2019-20, 2020-21 and 2021-22 consecutively and achieved IQRA Award as well.

LIST OF SCIENCE LAB EQUIPMENTS

PHYSICS DEPARTMENT.

Sr. No.	Name of item.	Specification
1	Solid cylinder Brass set of 3 (1/2", 3/4", 1") 3/8" thick Pak. /	Brass made
2	Vernier Calipers stain less steel 6" China	China
3	Vernier Calipers stain less steel 6" Pak Made	Pak Made
4	Screw Gauge 0-25 mm in plastic box 0.5mm, 50 divisions on circular scale with lock & Key China	China
5	Screw Gauge 0-25 mm with lock & Key Pak Made	Pak Made
6	Screw Gauge 0-10 mm Pak Made	Pak Made
7	Grave sand app. on metal base with two S pullies and 3 set of 50-gram brass slotted weight. Pak.	Complete Set
8	Helical Spring App with 250 Gm Slotted Weight (Hook Law App	Complete Set
9	Slotted weight 250-gram 4 weight of 50 Gm & a hanger of 50 Gm	Chrom Rust Free
10	Mirror strips Pak. / Equivalent	1"x4"
11	Half meter Rod 8mm thickness Pak. / Equivalent	Lasani Wood
12	Full meter Rod 8mm thickness Pak. / Equivalent	Lasani Wood
13	Spring Balance 500 gm China /Equivalent	Plastic Case
14	Iron stand large size 8" x 5" base with 24" iron Rod with clamp and boss head. all brass Screw	Complete Set
15	Iron stand small with clamp and boss head	Complete Set
16	Steel Spheres for Screw Guage Micrometer	
17	Round Bobs 1/2", 3/4" and 1" with Hook. Pak. / Equivalent	Pak Made
18	Stop Watch Small China /Digital	Digital
19	Stop Watch Medium Fine China /Digital	Digital
20	Split Cork rubber large size Pak. / Equivalent	
21	Spiral Spring App. heavy stand all metallic with 2 1/2 Kg weight	One meter long
22	Free fall app. with electromagnet, digital counter one meter Rod	Digital
23	Resonance Tube App. on metal base with Screw level, reviewer in sliding rod & 1-meter graduated tube.	Complete Set
24	Tuning Fork (Diff. Frequency) Set of 8	Imported
25	Tuning Fork (Diff. Frequency) Set of 8 Heavy Thick Material	Imported
26	Rubber pad thick rubber Pak. / Equivalent	Thick rubber
27	Set Square large size China /Equivalent	Clear Plastic
28	Plumb line brass Pak. / Equivalent	Brass made
29	Sonometer made of red wood one meter long with wedge	Fine wood
30	Sonometer Electric made of red wood one meter long with Small Electromagnet, 2 1/2 KG Slotted Weight and wedge	Fine Quality
31	Step Down Transformer 3v. up to 12 v in box Pak.	3v - 2Amp
32	Convex lens 10,15 or 20 CM F.L	Fine Glass
33	Convex Mirror	Fine Glass
34	Glass Slab Rectangular Thick Glass	Fine Glass

35	Glass Slab Semicircular Thick Glass	Fine Glass
36	Optical Bench with 4 Uprights complete	Fine Quality
37	Knitting needle Pak. / Equivalent	Metal
38	Optical needle brass made nicked Pak. / Equivalent	Brass made
39	Concave lens 10cm white glass China /Equivalent	2" Dia
40	Concave mirrors Optically True Imported	3" Dia
41	Prism 1 ½ ". Glass	White glass
42	Calorimeter Complete Pak. / Equivalent	Fine Quality
43	Drawing board 12" x 16" made of 1/2" thick Pak. / Equivalent	soft ply.
44	Slide wire bridge made Lasani sheet 1/2" thick with brass Termin	brass terminals.
45	Galvanometer demonstration type for conversion in to Am-meter and volt meter size 30CM x 29 CM with 5 terminals	Extra large
46	Cell Box for D size cell China /Equivalent	Fine Quality
47	Cell D size Imported	Fine
48	Galvanometer dual range 0-30 Volt China	Bench type
49	Resistance boxes Low (1-500) same as Philip & Harris	Spring Plug
50	Resistance boxes Low (1-1000) same as Philip & Harris	Spring Plug
51	Resistance box High (1-5000) with same as Philip & Harris	Spring Plug
52	Resistance box High (1-10000) with same as Philip & Harris	Spring Plug
53	Fractional Resistance Box Spring Plug Type	Spring Plug
54	One-way key baculite bass brass bar 10mm coil Pak.	Baculite sheets
55	Rheostat 200 Ohms China	with pericline pipe
56	Rheostat 500 Ohms China	with pericline pipe
57	Rheostat 1750 Ohms China	with pericline pipe
58	Potentiometer made with 4 wires & brass terminals Pak.	Brass terminals
59	Power Supply 0-12 Volt 2 Amp	Fine Quality
60	DC Variable Power Supply with Two (meters 2.5" x 2")	0-15 Volt 3 Amp
61	AC Variable Power Supply with Two (meters 2.5" x 2")	0-15 Volt 3 Amp
62	Power Supply Digital	
63	Variable Power Supply Heavy	0-30 Volt 5 Amp
64	Voltmeters 0-15 Volt dual Range China	Bench type
65	Two-way key extra fine 1/2" thick brass base Pak. / Equivalent	Baculite sheets
66	Relation between voltage and current in compact form. Pak	9"x12" Box
67	Tungsten filament lamp complete with DC voltmeter and DCammeter (meters 2.5" x 2") in compact form.	9"x12" Box
68	Relation between current & Capacitor in A/C circuit on with(meters 2.5" x 2") in compact form Pak.	9"x12" Box
69	Photocell Apparatus selenium type fitted in one-meter-longwooden box with fitted micro Am meter with meter rod.	With lightarrangement
70	Am meter 0-3 Amp. Dual Range	Bench type
71	Milli Ammeter bench type China /Equivalent	Bench type
72	Micro Ammeter bench type China /Equivalent	Bench type

73	Logic Gates set (AND OR NOR NOT NAND) with power suppl	in Compact form
74	Bazar Unit Pak. / Equivalent	Pak Made
75	Thermistor Rod China /Equivalent	in Compact form
76	B-H Curve App with Power Supply Pak. / Equivalent	in Compact form
77	Force Table Complete with all accessories and Sets of Weight	Pak Made
78	Fly Wheel with Bracket Stand	Pak Made
79	Newton Ring Apparatus with fitted Microscope	Pak Made
80	Sextant Apparatus with Fitted Scope Brass Fitting with Heavy Iron Stand Same as Tamyu Japan	Pak Made
81	Laser Light Electric with Stand	Pak Made
82	Circular Coil Magnetic Field	Pak Made
83	Spectrometer Complete Full Degree	Best Quality
84	Spectrometer Complete 1/2 Half Degree	Best Quality
85	Oscilloscope 25 MHz Digital Uni-T	Imported
86	Oscilloscope 20 MHz Analogue China	Imported
87	Audio Generator or Oscillator Analogue	Imported
88	Audio Generator or Oscillator Digital	Fina Quality
89	Ionization potential of Mercury Apparatus with Mercury UK Tu	Best Quality
90	Ionization potential of Mercury Apparatus with Simple Tube	Pak Made
91	E/M Apparatus Complete with Original UK Tube	Best Quality
92	E/M Apparatus Complete Simple Imported Tube	Pak Made
93	Traveling Microscope with both vertical and Horizontal Move me	Best Quality
94	Telescope with cross wire on stand	Best Quality
95	Telescope with stand Plastic Body	China
96	Melds Apparatus with Pan Pully and Bulb	Best Quality
97	Sodium Lamp Apparatus	Best Quality
98	Atwood Machine Complete with Weight	Best Quality
99	RLC Acceptor Circuit Apparatus Complete	in Compact form
100	RLC Rejector Circuit Apparatus Complete	in Compact form
101	Compass Needle 18MM Dia	China
102	Compass Needle 40MM Dia	China
103	Bread Board/PCB	China
104	Capacitor Different	Imported
105	Diode Different	Imported
106	Resistors Different	Imported
107	Compound Pendulum on Stand	Pak Made
108	Weight Box Red Plastic Box Steel Rust Fre Weight	Pak Made
109	Weight Box Red Plastic Box and Stain Less Steel Weight Original	China
110	Bar Magnet 4" Long	China
111	Horse Shoe Magnet U Shape	China
112	Carry Foster Bridge Made of Wood with Brass Fitting	Pak Made
113	Solidaric Iron Complete with stand, Wire and Gel	Imported

114	Charging and Discharging of Capacitor Apparatus	in Compact form
115	Full Wave Rectifier Circuit Apparatus	in Compact form
116	Half Wave Rectifier Circuit Apparatus	in Compact form
117	Full Wave and Half Wave Rectifier Circuit Apparatus	in Compact form
118	Heat Sensor Box	
119	LED Box	
120	Fire Alarm Circuit App Pak. / Equivalent	9"x12" Box
121	App for Determination of High Resistance by Neon Flash Lamp	with mega ohms
122	Digital Multimeter Ranges Normal	Digital Display
123	Digital Multimeter Full Rane Fine Quality Large Size	Digital Display
124	Multimeter UNI-T Original	Uni-T Brand
125	Lead with Crocodile Clips Both End, 1 meter Pak.	Copper Wire
126	Connecting Wire Copper	Flexible
127	Scientific Calculator Latest Model China	
128	Screw Driver Set (complete set), best quality	
129	Semi-Conductor Diode App Reverse Forward Basis	in Compact form
130	Thermometer (full Degree) C China /Equivalent	110 Centigrade
