THE KIDS (GOATS)

Currently there are 20 goats that have been purchased

Young Goats are between \$27-\$30 USD
Mature Goats are between \$80 to \$100 USD

The prices are dependent on location of purchase and breed

PROJECT INITIATIVES

To raise the goats for the purpose of selling them to provide basic needs for the children

They are used for food to celebrate important days such as Christmas, Easter, and Eid

Goats are to be used to impart comprehensive veterinary care and agricultural training for the staff and older children.

These skills and resources will grow responsible citizens who can take their own source of income and food.

WHO ARE THE KIDS (CHILDREN)

The Nasuti Yange Foundation, founded in Kampala Uganda, is home to over 80 orphaned and vulnerable children.

Each child will have access the resources that the goat project will produce.
