PROJECT STRUCTURE

EMERGENCY FOOD RELIEF & SUSTAINABLE FARMING SUPPORT IN BURUNDI

PROJECT GOAL: To save lives today and build food independence tomorrow.

1. PROJECT OWNER

Organization:
Community of National Artistic Unity

Slogan:
Unity in Diversity, Strength in Community

2. PROJECT OVERVIEW

This project provides urgent food assistance to vulnerable families while building long-term agricultural sustainability through training, tools, and community farming systems.

3. PROBLEM STATEMENT

In Burundi:

- Over 70% of the population depends on agriculture
- Frequent droughts and poor farming methods reduce yields
- Many families face chronic hunger and malnutrition

Without intervention, communities remain dependent on aid.

4. SPECIFIC OBJECTIVES

- Deliver emergency food aid to **5,000 households**
- Train 2,000 farmers in modern, climate-smart agriculture
- Increase crop production by 30–50%
- Establish self-sustaining community farms

5. KEY COMPONENTS

A. EMERGENCY FOOD RELIEF

- Distribution of:
 - Rice
 - Beans
 - Cooking oil
 - Maize flour
- Duration: 3–6 months

B. SUSTAINABLE AGRICULTURE SUPPORT

- Provide:
 - High-quality seeds
 - Fertilizers
 - Farming tools
- Introduce:
 - Drought-resistant crops
 - Crop rotation systems

C. TRAINING & CAPACITY BUILDING

- Climate-smart agriculture
- Irrigation techniques
- Soil conservation
- Post-harvest storage

D. COMMUNITY EMPOWERMENT

- Create farmer cooperatives
- Build demonstration farms
- Promote local leadership

6. IMPLEMENTATION TIMELINE

PHASE	DURATION	ACTIVITIES
