

Nepal Flood Emergency Relief

Rasuwa and Nuwakot, Nepal

United Foundation-Nepal (UFN)
Funding Goal: \$35,000

About United Foundation-Nepal

United Foundation-Nepal (UFN) is a nonprofit organization supporting children, schools, families, and communities in Nepal. Our work focuses on education, meals for children, community development, and emergency support.

UFN has worked with schools and communities in Rasuwa and Nuwakot- districts of Nepal for years. Because of these relationships, we can work directly with local people and understand their immediate needs.

The Emergency

Severe floods have devastated communities in Rasuwa and Nuwakot, Nepal.

Homes, schools, roads, bridges, farmland, and other infrastructure have been damaged or washed away. Families have lost food, clothing, household belongings, and sources of income.

Many affected families urgently need basic support.

Our Response

United Foundation-Nepal will work with local communities to identify families with the greatest needs.

Project funds will help provide:

- Emergency food
- Clean drinking water
- Clothing and blankets
- Hygiene and sanitation supplies
- Temporary shelter materials
- Basic household supplies
- Support for affected children
- School supplies
- Other urgent needs identified locally

Priority will be given to families who have lost their homes and to vulnerable children, elderly people, and families with limited resources.

Project Goal

The goal of this project is to provide immediate relief to flood-affected families and help communities begin their recovery.

UFN will use its existing local relationships to help ensure assistance reaches people who need it most.

Proposed Budget

Food and clean drinking water: \$10,000

Temporary shelter, blankets, and clothing: \$7,000

Hygiene and household supplies: \$5,000

Children and school needs: \$4,000

Community recovery assistance: \$5,000

Transportation and distribution: \$3,000

Emergency and changing needs: \$1,000

Total Project Goal: \$35,000

Expected Impact

This project will provide immediate assistance to families affected by the floods and help them meet their basic needs.

As the emergency improves, UFN will continue supporting affected children, schools, and communities as they recover and rebuild.

Help Families Recover

Every donation can make a difference.
