WORLD CANCER DAY 2027

Fund Cancer Screening in Nigeria

Project: The Big Walk – World Cancer Day Awareness | **Date:** 4 February 2027

Total proposed budget: $10,000 USD

This proposed budget supports free cancer screening, health education and public awareness activities for the 2027 campaign. The allocations below are planning estimates, not recorded expenditure.

Budget breakdown

Budget item	Amount (USD)
Cancer screening services	$3,000
Medical supplies and consumables	$1,500
Cancer awareness materials	$1,000
Event logistics	$1,000
Community mobilisation	$800
Health personnel and volunteer support	$800
Transport and field operations	$600
Media and communications	$500
Monitoring and reporting	$300
Contingency	$500
Total	**$10,000**

Budget justification

1. Cancer screening services — $3,000: Clinical screening support and tests selected according to medical eligibility and available facilities.

2. Medical supplies and consumables — $1,500: Screening kits, gloves, swabs, protective supplies and other clinical materials.

3. Cancer awareness materials — $1,000: Educational leaflets, banners, posters and materials explaining symptoms and early detection.

4. Event logistics — $1,000: Tents, chairs, sound equipment and other arrangements for The Big Walk.

5. Community mobilisation — $800: Community announcements and engagement to reach underserved residents.

6. Health personnel and volunteer support — $800: Meals, local allowances and coordination support for screening teams and volunteers.

7. Transport and field operations — $600: Movement of personnel, medical equipment and supplies.

8. Media and communications — $500: Publicity, documentation and campaign announcements.

9. Monitoring and reporting — $300: Screening records, activity documentation and donor reporting.

10. Contingency — $500: Reserve for unexpected approved project costs.

Implementation note: Screening methods, referral arrangements and participant numbers will depend on clinical protocols, available providers and final procurement costs.
